

Dear Supporter,

The Ian Casey Foundation is thrilled to announce the **7th Annual Ian Casey Golf Classic** to be held at the **Tahoe Donner Golf Course on July 26th, 2025**. We are proud and humbled to celebrate our **7th year** in the greater Truckee/North Lake Tahoe community. In seven short years the **ICF has donated over \$100,000** to various local youth programs! The Ian Casey Golf Classic and Dinner brings together community members, ICF supporters, sponsors, friends and family for a day of golf, fun, commemoration, and fundraising. Immediately following golf, we will host an on-site Dinner with auction, raffle and live music.

We need your help! The Ian Casey Foundation continues to work to support local youth organizations and needs throughout our area, but we cannot do it without the generosity and support of our community. We have assisted youth sports, local performing arts, programs for underprivileged youth, and several other nonprofit organizations who serve local adolescence that align with our mission. Our annual endowment to local programs now exceeds \$25,000 but we need your help to expand our presence and reach our donation goal of our highest giving year yet!

We have set up an annual scholarship for graduating Truckee High School students through the Tahoe Truckee Community Foundation and we are looking at hosting additional annual events to expand our fundraising goals. We hope that you will be part of ICF's continued growth and success.

Will you help us continue building our foundation to support youth in our Community?

Join us as a sponsor or donor for the **7th Annual Ian Casey Classic Golf and Dinner**, and know that your contribution goes directly into youth programs and services throughout our community. Please visit our website or contact us to support the Ian Casey Foundation today.
